“ I am deeply saddened to hear of my friend's death. Dennis and I were friends since childhood. Throughout his life he was kind, respectful of others, compassionate, never a bully, and a model of integrity. Dennis is one of the finest people I've ever known. He was a giver. For me, giving the gift of one's good influence is the greatest gift one can ever bestow on another; in this area Dennis had a great impact on me.

Dennis has earned a great peace for himself in his new home, and even now he is reaping the rewards of the good life he lived. This is what we need to focus on even though our sorrow is so great at this time.

Dennis, I will never forget you.
Your friend, Bill
