“ Dear Stella, Shannon & family

Please accept our condolences on the sudden death of Eddie, so very hard for all of you. We missed being on the trip this year, we have good memories of years past. I remember last year when he helped me with Joe's Duffel bag (Joe was on a later flight) and I never let on what was in the bag. When we landed in Mexico they started looking in bags, I am standing behind him thinking if they open this bag with Joe's trombone he will think how do I explain this. Lucky for both of us they didn't check and when we got past the line we both had a good laugh about him carrying the bag. Eddie will be missed by many.

Thank you for remembering Katie's fund during this difficult time, please know that many wheelchair athletes will be helped in Eddie's memory.

Love & Prayers
Joe & Roseann
