Comments

“ I remember Karen not only from school but she lived a couple of houses from my aunt on Mifflin Street we were in homeroom all four years of high school and also had the same lunch period every year we sat together. Her smile was the best especially when you were having a bad day. Heaven has a very special angel Rest in Peace.

“ Karen had a loving effervescence that she brought to all her activities. Her warm and sometimes "mischievous" smile lightened the lives of those she touched. She touched many. What a wonderful person. She didn't "fall far from the tree." I have much admiration, appreciation and gratitude for all she did and accomplished for Sacred Heart of Jesus Parish. Much Love to her family and friends.
Peace & Love!
