“ To Anna’s children:

*I’m sorry to hear about the loss of your mom. My mom, Denise, worked with her at Jefferson and truly valued her friendship and their talks at lunch over a cup of coffee and a slice of pizza or half a sandwich. Your mom was always so sweet when I would stop and visit my mom. They were both strong single moms who loved their kids and were so proud of them. May you find comfort and peace in your memories and know your mom is with you always.*

*Take care.

“ I have been friends with Anna for over 50 years. We worked at an insurance company together for about 8 years. Then at TJUH together for over 30 years. She was a great friend and always put others first. I am really going to miss her. Rest in Peace Anna.

“ I've known Anna since 2007, we worked together at Jefferson Hospital. She was part of my group. I worked very closely with her on different projects and reporting for the business office. I was fortunate to get to know her as a friend. She spoke often about her family who she loved beyond words. We shared many Jefferson holidays, birthday celebrations, and tons of laughs before she left the office. We kept in contact after she left and often would talk about family and share pictures of new babies. I still have our text conversations which I will cherish. I can still remember her laugh and see her smile. I don't think it was often Anna wasn't the sunny and happy person I remember. Well, maybe if our boss ticked us off...lol. Anna Grubb was well known in the business office, she was a wealth of knowledge, taught me many things about the revenue cycle. I remember decorating her cubicle for her 60th birthday and taking a picture here and there letting her know we saved her space for when she was ready to come back. I sent her a St. Patty's day card where I wrote that I was lucky to have a friend like her, and she texted me right away saying she was the lucky one. Thank you, Anna, for being a bright spot in my life, you will be missed. And when I think of you, I will remember that smile of yours, and smile along with you. I know you are with the Father...I know the joy and love you live in now is something beyond my comprehension. God Bless you. Love your friend, Michelle.

“ *Anna, You will be truly missed. You were a very caring and loving individual who was always there when a friend was needed. You never passed judgement as you never wanted anyone to pass judgement on you. May you rest in peace.*
