“ Don't need to say much.....you all know how special she was to me...having her live with us and share the wonderful man who would become Uncle Johnny.....to being welcomed at that great house.....1405 E Moyamensing Blvd.....to these last years when a visit meant a big party with all the cousins. She was 14 when I was born and she was probably a big part of loving me then. No matter how far away I lived I always had her in my heart and feel blessed to have her family in my heart forever. “ Carol, John and Family.....  
We were astounded when we first met your MOM in your driveway last year prior to her 100th Birthday Celebration. Would have fooled us! She had the gusto of an early 80's gal. We were so glad we had the honor of meeting her. At least we have a fond memory of her. May you and your entire family have a PEACEFUL healing.
