“ We lived across the street from Tony for several years and he was such a kind and thoughtful neighbor. He was always looking out for us and offered genuine friendship to us. His was never without a kind word, a thoughtful gift and made our children smile. He always spoke fondly of his grandkids and was so proud of them and looked forward to their visits. When we moved away a year ago, leaving Tony and Mary Anne was one thing we knew we would greatly miss because they had been such wonderful neighbors. We just heard about Tony's passing today when we went back to visit the street and are so sorry to hear of his loss and please pass on our love and sympathy to Mary Anne.
