“ *Arlene was the most beautiful angel on earth inside and out. She was the most inspirational, loving and caring person to her family and all her friends She has a place in my heart that will remain forever and always. I can honestly say some of the very best times of my life were with her. She was the perfect example of a True Angel on this Earth. My thoughts and prayers are with each and every family member and her friends. May You All Find Peace In Your Hearts. I know she is resting and at peace now. She would only want everyone to be happy, rejoice and promise to meet her with open arms when our work is done here on earth. My heart is with you all. With Much Love Renee*
