“ Although Millie wasn't related to us, she always welcomed us at Uncle Ray's house with open arms, a smile, a hug and a kiss! She loved to have people visit and was always 'pushing the food' :). Her memory was sharp as a tack too. How she was able to recall details of things like the birthdays of her brothers and sisters just amazed us. It was more like a talent than just 'something she could do'.

She was a strong woman right to the end. She is with Henry and doing a LOT of catch-up with him now. Together at last. We truly love Millie and will sincerely miss her.
