“ I never thought the last time I hugged you would be the last. I never thought that when I messaged you to share that I made Moomie's lemon cookies that you would be with her again so soon. You made my childhood so special - living so close to you on Juniper Street and again in Folsom. I love you so much Aunt Celeste.

Rest in peace with our family in heaven. We will take good care of Popi for you. He loves and misses you so much.

“ Celeste lived just two streets from me in Folsom but oddly we never saw each other until two weeks ago when my dog pulled me down her street. Unbelievably she was coming out of her house as we walked by. We greeted each other in Goretta girl style and talked for a few minutes. I now consider it a blessing to have seen her. She was a lovely person. My condolences to her family. RIP my friend.
