

## Charles "Chalie" Piechoski

November 23, 2025

Charles Piechoski, affectionately known as "Chalie", passed away peacefully on November 23, 2025 surrounded by his loving family at the age of 56. Born on April 13, 1969 to Charles and Jane (Deweese) Piechoski. Chalie lived and loved his life spending time with his family and friends. He was a devoted son, loving brother and proud Uncle to all his nieces and two nephews. His love of life was obvious to all who were blessed with the opportunity to spend time with him either at work, hanging out at Avenuers, Froggy Carr Club or many shuffleboard teams, or simply just being in his company. He had a way of always making people laugh with a quick one liner or torturing the ones he loved most. That's how you knew he considered you one of his people. He was a passionate Philly Sports team fan, always watching the Eagles, Phillies, and Flyers while enjoying a cold beer with friends. Chalie's family were his world and he was just as devoted to them as they were to him. Chalie rejoined his parents on November 23, 2025, leaving behind his two sisters, Stella (Tony) Novasak and Karen (Dario) Sanchez, who were beside him everyday to care and support him during his illness, his nieces Susan (James)Wendt, Stephanie Hennigan, Shaina Hennigan, Jenna Sanchez, and Rebecca Wendt, as well as his nephews Jimmy Wendt and Christopher Sanchez, and brother-in-law, John Hennigan (Jane). He will also be missed by his aunts, many cousins and friends. He will always be remembered for his easy-going nature, quick wit and heart of gold and the best son, brother, uncle, cousin and friend. Relatives and friends are invited to his Viewing and Funeral, Saturday,

November 29, 2025 from the Rogers Funeral Home, Inc., 1426-30 South 3rd Street, Philadelphia, PA 19147 after 8 AM until 11 AM followed by his Religious Service at 11:30 AM. Interment will follow at New St. Mary's Cemetery, Bellmawr, NJ.

“ Charlie and I were childhood friends. We played everything together, board games, Army/Navy, tag, running bases and sports. Charlie wanted the tough jobs. He was the catcher in baseball and the goalie in hockey. He had dreams of being a fireman. As young adults we hung outside of Engine 3 firehouse in hopes they would get a call. Charlie knew everyone! And this opened up a new world for me. New friends I met through Charlie led me to California for a new adventure where I met my wife, Vanessa. Charlie was always a stand up guy, and a great friend. He was polite, and always willing to help friends in need. We lost touch over the years, but he will always remain in my heart as a great friend. I often say to my wife, we would have never met if it wasn't for Charlie. My condolences to his family, Jane and Karen were also childhood friends of mine. - Kevin McGuire

“ Although we've never had the pleasure of spending time together as adults, I have a great childhood memories of the time we've spent together when I would visit grandma. As I'm reading other people's stories about you sounds you remained the cool dude I remember. Rest in heaven uncle Charlie... your niece Jane

“ *Charlie was one of my kindest friends. He would call to say Going to run over to put the air on so it will be cold when you and Dom get home from the shore. Will miss that along with hearing Do not tell Karen when we ate our BORGATA cupcakes! Laughing about his hour long phone talks with Stella. His sausage and peppers. Most of all hearing the words we exchanged a million times" "I love you babe, appreciate it!!! Rest in peace my dear friend.*
