“ Chris, I knew you when you were a sweet little boy who lost his mom way too soon. Aunt Barbara who had a heart of gold took you and raised you like her own son...and then you lost her as well. I don't know why all this pain has been bestowed on this family, but I will say it's unfair at the very least. May God bless and keep you because now your with your mom as well as alot of the family who passed on way too soon at least there is happiness in that. God Bless you
