“ Our deepest condolences to Colleen's whole family. We are so sorry for your loss and we are keeping you all in our prayers. Colleen was a big part of my childhood growing up. She had the biggest smile and best laugh! I always loved her energy and positive, fun loving personality. As a young girl growing up, Colleen was such a positive role model in my life. I loved when she would come visit my mom, I knew we were always going to laugh. I loved how many friends she had and how family oriented she was. You will be missed!
Rest in Peace.
Love, Tracy(Henning)& Bruce Teal and family
