“ *Deb I will for er miss you my old friend. Through all the years we kept in touch I feel so bad that I didn't know you went to Heaven. My heart aches for Sam and your granddaughter. I will see you again. Till then I will continue to wish you Happy New Year every New Years Eve if only out loud to Greg. I love you Deb*

“ *I miss you so much grandma, it's hard without u I miss your goodnight calls I wish I spent more time with u and wasn't being a dumb teenager. It's hurts everyday knowing I can't go down stairs and make I food and watch TV together I miss u ik ur not hurting no more please js help me not hurt I love u to the moon and back grandma. See ya later alligator*
