“ Aunt Diane,
I love you and miss you more than I can say. My heart is broken.
The thought of not speaking to you or seeing you is
incomprehensible to me. I am so glad I got to see you last week and
just spend some time with my Aunt Di. At my confirmation, when it
came time to pick my new name, there was never any other choice
but Diane. You were and will remain a huge part of my life. Thank
you for being the most wonderful, loving aunt ever.

“ Miles kept us apart, but love was always there. She would call every
once in awhile, and she would have me laughing right away. My
heart aches because I wasn't aware she was ill. John I wish we
could of come to be with you and your children, but no one could
get off from work. From the time I was a kid, I was in awe of her, so
kind to me. I will keep her in my heart always

“ *What a beautiful picture of Diane. I am so so sorry for your loss. I have wonderful memories of Diane and Johnny and the kids when they were little. I always loved talking to Diane and laughing with John when we would be together, and having her tell me about my mom. My mom loved her as well as I can vividly remember. My brother told me he would call her on her birthday and he just did that in Feb. and she sounded great. Please know we all are thinking of you at this sad time.*
