“ Dear Joe and the Family,

Our deep regrets and loving sympathy. Doris was always up for a good time. When the music began, her feet got itchy. Carmella and she partnered many times for a Peppy Polka, or the Mummies Strut.

But when it came 'her specialty', she reigned in a class, all her own.

In doing so, she made a lot of people happy, watching her do her thing and cheering her on.

Regretfully, John and I didn't get to see or talk to her in the end.

And she will be sadly missed, but always happily remembered.

May Doris RIP.

She was.....

Our Friend.

Our Dance Partner.

Our Cousin.

Love,

John and Carmella.

My deepest sympathy to everyone. Doris will be sadly missed. I can only find comfort knowing that she is in heaven now with her girlfriend Ellamae.

“ No family reunion was complete without the fun loving Doris..She was a wonderful loving woman..I remember one reunion many years ago when the band took a break so she just got up and started entertaining the relatives...She will be deeply missed.
