Dot,
I love you and will miss you forever.
I have and know that I will never meet another person like you. You were so special to me. And will always hold a special place in my heart. I'll never forget your kindness, and loving support. You were more like a mother to me than my mother in-law.
I will cherish the many years and unforgettable memories of you, as I watched you as a wife, daughter, mother, sister Aunt, grandmother, and mother in-law. You were one of a kind. There was and will never be another like you. I'm so thankful that I got to be such a close part of your life for 20 years. May you Rest In Peace!
I promise to always speak of you and honor your memory until we meet again! I love you sweet Angel Dottie Anderson, love forever Chris Palma ❤️🌹🙏
