“ Edna and I worked together for many years at Walt Whitman/Methodist/St. Monica Manor. Edna was one of the kindness, loving, and caring people that I have ever known. She was always laughing, joking, and helping others. She would always assist nursing with difficult residents because she had a gift of patience, and respect for everyone. I know she is in heaven helping everyone who needs it. RIP Edna. Enjoy Heaven ☐ 😊❤️

“ I have so many memories that have you in them growing up. I'm not sure if it was us kids meeting first or the parents, but we quickly became family. You will forever be my aunt Edna and will always hold a special place in my heart. You can hang out with my mom and dad again, sitting around the table or the campfire. You will be greatly missed by many. You were one of the kindest, most caring and loving person I know. The world was a better place with you in it. I will forever miss and love you.

“ So sorry for your loss. Edna was a loving and caring person. The memory I have is when we worked at the Nursing home and one of the residents was not going to make the night and she had no family, so me and Edna went to the hospital and stayed with her until she passed.
