“ Kim I'm so very sorry for your loss and sending lots of LOVE, hugs and kisses to you and your family. Although I didn't know your Dad personally I share your pain, I lost my Dad when he was 58 years old. You'll find comfort in knowing you are a good person, daughter, loving wife and mother and most of all the life lessons Mole raised you to become shaped your very being. Remember the good times because those precious memories shall give you comfort. I'm here for you and may God give you strength in these trying times.

Love ya Kiddo

“ *Dad you are no longer in pain and your suffering is gone. You left after putting up one hell of a fight. You were tired, sore and ready to rest. You will forever be in our hearts. I love you and miss you terribly.*
