“ *I wish I could hear your voice
just touch your face
Alls I need is time, time and space.*

*If I could see your face
just one last time
I'd tell you I love you till the end of time.*

*With one more kiss and one last hug
I'll hold you forever with eternal love.
With dreams of our future
will reminisce of the past
Just one more day the present will last.*

*Just for Today
I'll hold on through the night
you'll never know how much you mean to me
you saved my life.*

*And all through the night
I pray for your grace
for when I see you again
In another time, time and space.*

I'll always love you.

*Your Thankful granddaughter,
Michelle*
