“ *Dear Chris, Diane and Boys:
I just heard the sad news. I loved your mom, I loved visiting her and talking to her. She always made me laugh. How she loved you guys and talked all the time about all of you. You were the sunshine in her life and what a hard life she had. I will be there Saturday. I don't have your phone number or address. I would love to call you and get together some time - other than funerals. God bless all of you!

“ *Dear Chris & Diane & family
Please accept our condolences on the death of your mom Cookie. Remember her sitting on her porch on Roseberry Street. Always had a kind word to say to everyone.
We are very appreciative of your designating Katie's fund to be the recipient of her donations. Many wheelchair athletes will be helped in her memory.
With Sympathy,
Joe & Roseann & the Katie Kirlin Fund*

“ Aunt Betty was a loving, strong, courageous and totally amazing person. Life dealt her many challenges; losing her beloved husband way too young, raising three awesome children alone, and losing two of those children in the prime of their lives. She never once was bitter, she perpetually remained kind and hopeful, and she consistently welcomed everyone, always making them feel special. By her life, she taught all of us about love, patience, family and community. She will be sorely missed, but her light will never fade!
With great love and fondness,
