“ I have been part of the Purul family most of my life. Eileen has been my best friend since grade school, so I have been around the family for quite some time. I have funny memories of Mrs Purul and I am sure that Eileen and I will laugh about them in the future when we remember our moms.

My deepest sympathy to the Purul family on the loss of their mom.

“ I remember Mrs. Purul very well even after not seeing her for many years. She is the last of our mothers to pass from our group of friends. Eileen, Janice and I having known each other since first grade and having spent time with all our parents over each of our houses. This is truly an end to an era. I know she is being welcomed by all of our moms in heaven and already a part of the bingo and card games going on.
