“ *So sorry to hear about the passing of my old school pal and friend. We shared some great times at primary school and secondary school. Then we joined St pats snooker club and had many fantastic games of snooker cards and football. Some great nights around Ards and Bangor having a few beers. Too many stories to tell but I will always remember them with joy. It's a pity we never got to meet too much in the later years. Deepest sympathy to all the family circle. R. I. P. “ *Querida Lorena: Deseamos que de la mano del Señor estes superando la partida al cielo de tu amado Frankie. Hay que confiar en la infinita misericordia de Dios y que sus planes siempre son para nuestro bien, aunque no los entendamos. Recordamos con mucho cariño a Frankie, su buen humor y su positivismo. Te acompañamos a la distancia. Muchos abrazos! 🙏😊😊🙏*

“ Francis O'Hagan.

Frankie was my best friend in Ards, for many years, throughout our school life, our teenage and snooker years and he was best man at my wedding in 1987. He then left for America and whilst we didn't have regular contact I kept myself aware of his life over there. It's with great sadness that my seeing Frankie back home is in his death.

I would like to extend my sympathies to Lorena, Tara and Brendan and to his mother Marie and brother Kevin.

“ *Frankie was a dear and lifelong friend. So many happy memories of our younger days in Ireland. Years of long distance conversations and always a welcome visitor on his return trips home. I had several visits out to Philly and I know how much he loved his life there. I could see how loved and respected he was. And he was a very much loved part of Newtownards. Rest In Peace now.
