“ My prayers go out to my cousins on the loss of Gina. She is in a better place now with her mother, aunts, cousins, and family. Rejoice that she is free from pain now and working on getting her wings now. Think of all happy times when thinking of Gina. She was a good person and will work her way up the ladder to heaven.

“ I remember taking a bus with mom and dad when I was little to go see you, barb and Joey. I almost got stuck on the bus one time because the back door was closing too quick. Haha.

“ I spent most of my childhood with you growing up in our home with Trina and Billy and your mom, The stories we can sit around and talk about will forever be a memory in our hearts, Years have past since we have seen each other and Facebook did a reconnection, Im glad we did and I'm sadden to see that God called you home at such a young age but he has a reason, We may not understand at this time but please know that you are loved here and bless your children and grandchildren with your presence as there Gaudian angel now. Rest In Peace my cousin 🙏💕👼

“ One funny thing about mom sense I was a kid she'd rather you get her fake flowers with a spray of air freener which had to match the flowers
