“ I remember every time I would go to mass with my Grams that Aunt Helen would be at church already. Left side. She would always smile and wave. She had the most beautiful and contagious smile. She was always so full of life and love. Blessed to have gotten to know her.

“ I always knew of Helen from grade school and the the Ladies Guild after I got married. I really got to know her while taking my children to the Whitman Library for story hour and other events. We became friends and Helen always had a big smile.

Helen was a Lector at St. Casimir's for many years, and a long time member of the Parish Council. Her spirit and laughter will be greatly missed. Sincere condolences to the entire family.
