“ One of the most generous bastards ive ever known. I was his loyal dog walker to his loyal doggo Finn. Finn prob ate like 10 sets of his glasses in 8 years, Numerous remotes, and anything on a counter top within reach. I know jim loved his dogs and he knew i loved finn. I missed many a walk due to this or that bullshit and i was never canned he knew people were human . We talked alot of gambling. I never would win. Recently found out he was kicked by a kangaroo . I cant get that story out of my head. Kate and Jim took care of me and my people (nat prev bpc employee) and my bestie gf angie all the damn time. "Go ahead use the shore house for a week or 2 in winter and summer, this is why we got it". Dog walkers getting gifts ... Well ok than. Yet never allowing me to hook em up unless it was food. Ahhhh..... i loved his chicken soup and chilli, although i think kate mastered it. I wish i had more time with him in this lifetime to really party with him and sit back and talk shit and get drunk and get alil deeper. We all know life isnt fair and im at peace that i was able to help him in some of his times of needs. I will always be there for his Kate, Finn, and Kevin. I will see you again Jimbo.  
Love you brother!
