“ Jim was a great guy to work with and to have as a friend. He is one of the people I miss since I retired 2 years ago. When things got tough Jim was always there, with that smile on his face. He will truly be missed by many. May you rest in peace my friend.

“ When I left Tastykake there were a few people who I knew I would miss working with, Jimmy was definitely on the top of that list, a good guy who was always a pleasure to be around and work with. Kept in touch with Jimmy by phone and every once awhile if I was working in the area I would drive by and hope to catch him on the back steps of the boiler room. Going to miss our conversations. Rest In Peace my friend, until we meet again
