“ We had lots of fun when he was growing up, taking him down to the Tinicum wildlife preserve fishing, finding turtles for the "turtle farm" in his grand-moms rose garden, launching model rockets. Lots of good memories.

Jimmy you were a life long friend. Growing up you were so much fun, playing 2 hand touch, hockey, basketball with the milk crate net, baseball under the bridge. Army Navy, woof woof and tinneys. My partner shoveling snow, water skiing on your Uncle Bills boat and bike riding just to name a few fun time. You were always my trusted friend and I love you like you are my brother.. I will always cherish your memory and feel blessed to have had you in my life.. R.I.P. go with God and I will keep you in my prayers ❤️ Terry xo
