DH

*May our LORD bless and comfort each and everyone who are grieving still, at this time.*

*When the clouds lift and the sun, once again shines though, after the tears have dried and the goodbyes have been well said, we will have each other to hold onto, along with the many memories of Joan we hold dear in our hearts.*

*Time will allow for us to once again sit with one another and tell stories, fondly reflect, laugh a little and cry. For you see, this is what keeps THEM alive in our minds and our hearts as THEY continue to live through us.*

*May GOD's Blessings help you all, along with my thoughts and prayers.*
