“ "THE FEVER" So sad to hear this. So many memories of Johnny growing up, I loved it when he imitated an Umpire calling "Strike 3 You're Outta Here" or when he came to me one day to ask if I'd heard the song "Mr Bojangles" and played it for me, his arguments with Chaz in the Biggy Yard while we played sports. As many have mentioned he ALWAYS greeted you with a smile and a joke. I still recall one of the happiest nights he was DJ'ing at Bolc's Tavern it was such a good time, there were many nights but this one stand out for me. My heart goes out to Chaz, Stevey and Tommy, I have not seen you all in a while but will always love you guys. THE OLD NEIGHBORHOOD!!!!

My sincerest condolences, prayers and love to all. Johnny was such a kind, loving and sincere person. He loved the fact he DJ'd "Little Hez's" First Communion Party. He knew how to put people in better moods. I'm sure Charlie and Kazia are hugging him close to their hearts. Rest in their arms, Johnny.

John was a kind man, great neighbor (we lived at 1211), as he was always keeping a watchful eye on both myself and my family. Raining outside, John would run out to help bring in the shopping bags. John had a great heart and quick wit and was full of really bad jokes! I, along with my wife Sharren, will miss him dearly. The Hewitt Family was the first to welcome us when we moved on the block, although I think it was Johnny that we met first! The Paganos
