“ I had the pleasure of working for Johnny for 6 years at Septa. Hands down the best and most knowledgeable Forman I have ever had the opportunity to work under. His passion for the job, family, the Phillies and DISNEY is what always made our conversations lasting. I will never forget those memories buddy. Going to the Phillies games will never be the same without meeting you in the 6th inning. RIP Buddy!!!

“ John was my Brother in Law but more like a brother to me. I was so young when he met my Sister Kathy, since I was the youngest of my family. What sticks out in my mind is when they were dating and early on in their marriage that I thought at times I should be with them. If they were sitting together on the couch, somehow I would squeeze in. I loved spending the weekends with them. He must have really loved my Sister as he always smiled when I wanted to tag along. John had the most beautiful smile and the biggest heart of gold. He truly was such a big part of our family. He was such a wonderful Uncle to our daughter, Mollie. He would just shake his head, laughingly at us with the lack of knowledge that we had to show Mollie growing up as a toddler about Disney characters. Thanks John for teaching Mollie all about Disney and the different characters. Mollie will always treasure her times in Disney with you!!! We truly will miss you and love you so much, Liz, Robin and your Mollie. RIP John

“ There are so many memories when I was growing up with John. He was my cousin. He always brightened any room he entered. His laugh was infectious. His obvious love for his wife, Kathy, his children Shannon and John as well as his grandchildren, Xander and Katie was clearly apparent. He also made sure he stayed in contact and brought joy to my parents' lives.

My favorite memory involved John and his sister, Rosemary's, husband, Tom. They came for a weekend visit at my parents' house. This was in the early 1970s. We had an above ground pool and John and Tom were doing something behind it. I don't remember exactly what the task was but it seemed to be important.

My father, Albert, sees them and comes rushing outside and tells them they are destroying his tomato plants. It was an innocent mistake. Neither would have ever intentionally harmed the plants and they felt really bad.

Paul McCartney just released the Wing's album. As soon as my father explained what was going on John and Tom wrapped there arms around each other's shoulders and sang, "We're so sorry, Uncle Albert. We're so sorry if we caused you any pain."

It was sincere and spontaneous.

That best exemplifies John Weckesser - always sincere and always the source of fun-loving spontaneity. I will miss him.

My deepest condolences to his family and friends.

*My husband and I had the pleasure of working with John for over 30 years. If it was a phone call or he barreled in the office he brought such laughter and joy to all of us. His love for Kathy, his children and grandchildren was palpable. We are just so heartbroken for not only his family but all of us whose life he touched. God Bless his Sweet soul.
