“ Freddie was a great friend and did alot to help me when I couldn't go to stores, you could call him or text him and he'd do it for ya.. He was a handy man and when I couldn't get around as much anymore he installed Handicap bars throughout ma house to help me. He will be truly missed and never forgotten and his generosity will never go unnoticed. He truly cherished his granddaughters and would always talk about them all the time they were the light of his life. Sorry for your family's loss. Everytime I watch an Eagles Vs.Dallas game I know you'll be torturing Cass up there. And sending a sign to Patty down here..lol You will be truly missed ma friend, always, Laura..
