“ Rest In Peace my dear sister in law. While you were with us, you did follow the scripture that you and Cliff use to quote. James 1:22 “Be ye doers of the word not just hearers of the word”. You were always helping your neighbors, friends, family & church family. You will be greatly missed, but you have completed your work here on earth and heard The Lord say well done thy good and faithful servant enter and receive your crown.
