“ Kim, I knew you since you were 2yrs. Old. I babysat you when you were a child. Always knew you would become an incredible woman. We would run into one another after few years would go by but, on sight, we would instantly recognize one another. I was always proud of you and so grateful to have known you since you were a child.

“ Kim you had a big heart ❤️, you were part of our family since you were a kid.
I will never forget all the fun crazy times we had. I was thinking of when you moved in with me on Alder St & we would drink wine when my kids went to bed, we would talk & laugh half the night & then a hangover & coffee but we still had laughs. You were so beautiful & Michael has loved you for ever along with our family. Now R.I.P. & we will meet again. I'll remember you forever in a day.
God Bless 💔
Terrie
