“ Love and prayers to Deb and Family,  
It was always a pleasure to talk to your mom at your music lessons.  
What beautiful memories you have of a truly beautiful woman.  
May God comfort you at this very difficult time. Hold fast to the  
wonderful moments you all shared together.  
God Bless!

“ We walked out to the shopping centers on one of our weekend  
stays. Aunt Kriss agreed to rent the movie "Blade" for Carmen. A  
movie about a vampire slayer undoubtedly rated R. We pretty much  
got to the first battle scene when uncle tony walks in the room at the  
wrong time when another vampire yelled at blade "Hey I'm gonna  
rip your EFFING head off!" Uncle tony told us that we were listening  
to some nice language and began to protest and aunt kriss pulled  
him outside to talk to him and he didn't come back in and make us  
turn it off. She was our hero that night and we got to finish the  
movie. I still watch this movie at least once a year but that's the first  
time I seen it and I don't forget.
