“ *Pop Schofield, you welcomed me into your home and your family when I moved next-door 12 years ago. You were like a second grandfather to me and I loved our little chats. Thank you so much for always being happy to see me and sharing a smile. I'll never forget your voice in my head... "Hey there, Steph!" You were always thoughtful and kind. Glad you enjoyed my grandmother's bean soup over the years. I'll miss you dearly, but know you'll be watching over all of us, always. Love you.*
