“ Sincere condolences to the whole "Noonan" clan. I remember Lenora who became friends with my mother many, many years ago. It was then that we had the privilege of becoming friends with her children while hanging out at the "Rec" and "Swimmies" pool on 3rd Street. I was closest to her daughters Colleen & Elizabeth (Liz) having attending HS with Colleen & working with Liz at a law firm several years. Whenever I saw Lenora she was also sweet, asking how my Mom was doing and had such a nice, "motherly" comforting smile. That's what I always remember and will continue to remember most about Lenora.

“ My sincerest condolence to all of the Family. Although I never had the pleasure of meeting Lenora, I was very fond of her mom, Aunt Lilian Gavin, who was an incredible lady. Lenora looks like Aunt Lilly. May she RIP and have a reunion with Aunt Lilly and the rest of the family in Heaven. I am certain she will be watching over all of you. My prayers and thoughts are with you all.

“ So sorry for your loss. I haven't seen Lenore in a few years but thought of her often. We were good friends when I lived on 3rd St. I have babysat her children before I had my own, at one point we were pregnant together and both named our son Patrick. She was a very lovely, soft spoken woman and will be greatly missed. R.I.P Lenore ❤️ Betty Amendt Perez
