“ I just learned of Leon's passing today and am so shocked and saddened. I worked with him for many years at Dicken's Inn. Leon was like a big brother to me...always protective, loving and gentle. He was a true friend and just his absence on this earth will leave a huge gap in the lives of the many people he touched. My heart goes out to his family. May he rest in eternal peace.

“ Leon was a wonderful friend and will be missed. He always corrected my poor attempt at trying to speak Polish. We went all through grade school together and then as teens worked at a local luncheonette/ice cream parlor. I remember us covering for each other when we stayed out late and our Mom's were looking for us. As big and intimidating as he looked, he was a big softy and loved his family and friends. Rest in peace my friend.
