DR

“ Aunt Lil ... I was so proud to call you my Aunt. You were everything and more than an Aunt could be. You opened your home to my family when we needed it. And you continued to open your heart and mind to us throughout the years since. And when I was nearly the last one standing in my immediate family, you listened to me. You knew who I was and what effort I put into life and you never ever let me forget that I did my best. And you encouraged me to rest easily because of it. You believed in me. I will miss your loving encouragement. Your ready smile. Your quick wit. And just the angel on earth you were. Now it's your turn to rest easy Aunt Lil. Love you so much. Your niece, Dawn
