“ I have so many fond memories of Linda while growing up on Catharine St. Linda and Lucy helped raise me after my mother passed when I was 9. She was a wonderful, generous and loving person who has left a positive, lasting impression on my life. Even though, I haven't seen her in many years, we always kept in touch and had fun reminiscing. I will miss her so very much. My deepest condolences to Johnny, Phillip, Tiffany and the rest of the family.

“ Ralph has fond memories of visiting the house on Catharine St. when Linda and her siblings were young -- Ralph and Johnny close friends from St. Philip's school. It's hard to say goodbye. We'll both miss her phone calls and stories of the old days. and certainly not forget her. Deepest sympathy to the entire Slivinski family. May God bless your soul, Linda.

“ Linda was a lovely and caring individual. I can't tell you how many times she quietly assisted in volunteering in all activities through St. Philip Neri home and school association.
