“ *My mother was a kind person.*

*I've been searching for an exit
but I'm lost inside my head
Where I spend every waking moment
wishing I was dead
I'll take another step for you
I'll shed my tears until I drown or until I am underground
I'll take another breath for you...
Will you still be there when I'm home
out from the great unknown?
It's like there's cancer in my blood
It's like there's water in my lungs
And I can't take another step
Please tell me I am not undone
It's like there's fire my skin
And I'm drowning from within
I can't take another breath
Please tell me I am not undone*

I love you mom.
