So sorry for your loss. I haven't seen him in a long time. But, I remember his kind soul. He was such a devoted husband to his wife and a great father. A good friend to many. My thoughts and prayers are with you all. Rest In Peace Luis. I'm glad to have met you in my younger days.

*Good bye sweet Sunshine. You are sorely missed but I'm glad you are finally getting some rest and peace. You were one of the best and most beautiful men in my life, a kind, loving, generous, and patient grandfather. You could be so "miserable, lousy, and disgusted" that all you and I could do is laugh about it. But more importantly you loved your family hard, hated confrontation and arguments, and always hoped for peace and compassion amongst those around you. Thank you for being such a fine example to us all as we try to navigate through this waning darkness your absence has left behind. Thank you for the good dining company, the many phone conversations, the good and bad advice, always being there for me, the public embarrassment and many laughs, and a lifetime of memories that I will always have to revisit.*

*Love,  
Sabrina*

*Good morning Nixa, I am so sorry for your loss. May I ask you a question about your uncle? Did he ever serve in the U.S Army?*
