“ Dear Patty, Mary and Robert,
I have so many fond childhood memories of you mom from growing up on Gerritt Street. She was a true friend to my mom and part of the "village" of adults who raised us all. I remember coming into your house and seeing her beloved jigsaw puzzles laid out on her dining room table. I also remember the time that she got a new four slice toaster and we all gathered around your kitchen table toasting and eating bread. Summer nights when all the ladies of the neighborhood gathered on "the steps" while the kids just ran around the street were definitely our version of a summer vacation. I remember your mom, my mom and the other neighbors walking to and from Sacred Heart and the gossip and news that they shared. Your mother is part of the fabric of my life as I'm sure she is of so many others. When my mom moved around the corner and began to age, I remember seeing your mom coming home from her trips to the store. She always took the time to stop and chat with my mom which my mother loved. They were loyal, lifelong friends who supported each other through many of life's trials. Your mother loved her children more than anything in life and always filled us in on your comings and goings. She had deep faith and that faith has carried her to the fullness of life that she is now experiencing. Please know that Bill and I will keep you all in our most sincere prayers and hold you mom in our hearts.
Lovingly,
Kathy Thompson and Bill Coneghen
