“*Mary and John always were so good to me and my family. My kids will always think of Mary as their mom mom. My Ralphie would hang out with Mary, John and their friends on the corner of their street. They would tye his walker to a chair and let him just have a grand time hanging with the grown ups. Mary was a good person that was always there to lend an ear if you needed to talk. Always trying to feed you if you needed food or not. If you needed a place to sleep she would open her home to you. I love you Mary and will miss you. Rest in peace mom mom.*”
