“ I just read that our St Peter's friend Michele Trembly had transitioned. She was a wonderful artist and a kind soul. Our hearts go out to the family in their time of grief. With love and good thoughts Renee Jones DeCrosta.

“ To the Stewart men and Michele's family; so saddened to hear of Michele's passing. I know she has suffered for so long, May she now have peace. I will miss her, her sweet personality, beautiful artwork and FB posts. May she rest easy now.
