“ Although, I haven't seen Butchie in many years, back in the day we were pretty tight.

Back in the mid 70's Butchie bought a Hot Rod green Chevy that he really couldn't drive (4 on the floor) Butchie and I took the car down to Florida, burned up the battery, and stayed at Disneyland. By the time we returned to S Philly Butchie knew how to drive the Car as it was meant to be driven, I taught him what speed shifting was all about, even showed him a thing or two about Pool...

Butchie was a stand up guy, my Condolence's to the family...

God Bless Butchie, see you out west my friend...
