“ We were saddened and stunned to find out today that Neal passed away last month. We met Neal in 2017 when he remodeled our bathrooms. He was a personable, happy and easy going guy who made his customers feel like old friends. In 2021 Neal and his crew remodeled our kitchen. He met all of the challenges that COVID threw at us with supply chain issues and other problems- he gave us a kitchen we love! His funny sense of humor and resemblance to Rodney Dangerfield always made me smile. Rest in Peace Neal- you left a mark on everyone you met. You will be missed. Our condolences to Neal's wife and his family.

“ I was saddened and stunned to learn just today of Neal's passing. He was always so effervescent, so full of life. I met him last year when he became my contractor to install an upstairs bathroom. He was attentive to every detail, dependable, reliable and always pleasant and in good humor. His workers Dave and Skinny were excellent, the job was beautiful and so well done. He stayed in touch because I had more work. Omg Neal, gone way too soon. 🙏

“ To the family of Neal Rogove,

In memory of Neal we've planted 120 trees in southern Oregon to help renew the region after a forest fire. We hope that this small token of honoring his memory will bring joy as we all think of the new life it will bring to the region. We are thinking of you during this hard time.

“ We met Neal when we were looking for a contractor for home improvements after a fire in 2017. He has since remodeled my kitchen 2023 and has done several jobs in my church (Faith Tabernacle Holiness Church). He was currently hired to renovate the lower rooms in our church. Neal was kind caring and willing to do what he could to make those whom hired him satisfied with his professionalism and work. He was generous and caring. He will certainly be missed by my husband and I and our church family. We prayed for him often. God never makes a mistake. Our prayers go out to his wife and family. Although we've never met you Neal use to talk about you with love. May the Lord continue to comfort you in this hour of bereavement. Clarence and Renee Carruth.

I met Neal in 2018 when I was looking for a contractor to remodel my kitchen . Neal was so personable and so humorous that I instantly knew that he would be my contractor. He worked again for me in 2021 but little did I know that that would be the last time. My condolences to the family for your loss. Rest in peace, Neal.
