ME

“ There are very few people who come into your life and have such an impact to where they help to sculpt who you become. You were one of those people for me. I admired everything about you - your hard work and dedication, your genuineness and most of all, your love. Thank you for helping to raise my babies, for always being there in good and bad times and for continuing to treat me as your own. It's almost impossible to find pictures without your arms wrapped around one of your grand babies. We love you, Gram. You will be forever missed.

“ *Aunt Peggy you will be missed and loved. You will be forever be remembered for all the unconditional love you gave selflessly You covered me with sunshine, showered me with good times as the artist Pink sings. I love you and feel the hurt, like most of us. You will missed dearly.*
