“ My deepest condolences to Duckey's family and friends. I had the pleasure of boating with him and hospitality of staying at his home in Wildwood. He was a very kind and generous man. The plaque that he made for me, hangs in my home and is a reminder of who he was. Rest easy dear man, you deserve it. 🕊

“ Charlene & Family, I am so sorry for the loss of such a great guy, Duckey. So many memories with you both at Diane & George's Christmas parties over the years. I remember after my car accident how both of you helped me out. I will be forever grateful to Duckey & Charlene. Cherish all the laughs and memories the two of you made over the years. He was such a great guy and will be missed by so many.

“ We are heart broken over the loss of our dear friend “Duckey”. That’s what we always called him...and that’s how he spelled his nickname in every card he sent us! We’ve known Duckey for almost 30 years! Where there was Duckey, there was Charlene “his special friend”. Duckey and Charlene are like family to us. Here for our many Christmas parties, graduations, birthdays, cruises, band gigs, you name it!

We all made so many great memories together through the years and we will hold them in our hearts forever. We love you and we will miss you Duckey, R.I.P. Our condolences go out to Charlene, Michael and the entire Kridlow family.
