“ I knew Bob for almost forty years, we worked together for quite a few of those years.

Bob was a straight shooter and once you met him you knew him, the world will miss him and needs more men like him.

All our love

“ So sorry for your loss Joann. I have fond memories of working with Bob at the registration and education tables at the GPLA convention every year, going back how many I can't count. God Bless and may he rest in peace.
