“ *I don't know where to begin I met Stan in 1987 at the popular café in Maple Shade he became like my older brother. He was very kind caring generous not only did he treat me good he also was very good to my family. I stayed in The house in alluvium with him and Dave they were some fun times we have so many memories I would not know where to begin. Before buffalo wings existed nobody had better wings than Stan . I worked with him with his father and Cass and Granmom in the bar in Wildwood they were the best times I'm so glad I got a chance to see him in the hospital I tried to go every day . We talked about all the fun times we had together and I know how that made him feel we had a lot of laughs that was A special time for me and him. I can't begin to tell you how much I will miss him and I will never forget him. Michael Narciso*

“ Stanley and me were mortal enemies when we were like 6 and 7, when he lived in S. Philly. I was the leader of the Dudley St. “Gang” and Stanley leader of the McKean streeters, until one day we actually talked and became great friends. Along with his brother David and the rest of our crew we had many good times for a few years till his family moved to Jersey. Rest In Peace Stosh. From Mike Hoffman
